6TH ANNUAL

MIDWEST ACC WOMEN IN CARDIOLOGY SYMPOSIUM

June 3, 2023 | The Westin Milwaukee | Wisconsin

Registration

AN INVITATION TO OUR COLLEAGUES

Dear Colleague,

We invite you to the 6th Midwest American College of Cardiology Women in Cardiology (ACCWIC) Symposium on June 3, 2023, at the Westin Milwaukee. This event is hosted by the Midwestern Chapters of ACC. Highlights of this program include:

1. Keynote speaker Cathleen Biga, current ACC Vice President, speaking on achieving financial equity for women cardiologists
2. Morning CME program devoted to sex differences in cardiovascular disease by outstanding midwestern faculty
3. Afternoon panel discussions and breakout sessions focused on career promotion and leadership for women in cardiology

More importantly, this symposium will continue the forum for networking that the ACCWIC established. This meeting is an opportunity to learn with your colleagues for great professional development. You will have the opportunity to attend in person or virtually live the day of the symposium.

We encourage you to post this registration brochure for your cardiovascular care team members and send them to this outstanding educational opportunity. Program brochures and registration information can be found on the Chapter's website: www.wcacc.org. Hotel info is on the registration form.

We have a reception at Central Standard Craffhouse and Kitchen at 320 E. Clybourn Street in Milwaukee on Friday, June 2 starting at 6:00 PM.

We look forward to seeing you there!
